About Me

Anthony is sound designer, audio engineer, and composer based out of Orlando, FL. With over 15 years of experience and more than 200 productions designed, Anthony's work has shaped the sonic landscape of theaters across the country and even on the high seas. Most notably, his work has been heard onboard several ships in the Norwegian Cruise Line fleet since 2017, at City Springs Theatre Company (Atlanta's home for Broadway caliber musical performances featuring collaborations with Tony Award winning directors and performers), and at Orlando Family Stage; where he was the resident designer from 2014 to 2023. Since 2015, Anthony has also been a guest artist and instructor of Musical Theatre Sound Design for Auburn University. He previously served as sound designer for the Texas Shakespeare Festival from 2013-2018 and season sound designer for Garden Theatre from 2020-2022. Anthony holds a Bachelor of Fine Arts in Theatre Design and Technology from the University of Central Florida, is a member of United Scenic Artists Local 829, and is an East Coast Board Member for the Theatrical Sound Designers and Composers Association.
